Additional Statewide Assessments

ACCESS for ELLs®

ACCESS for ELLs is an online assessment system that measures the English language proficiency (ELP) of English learners (ELs) in Grades K- 12. This assessment allows educators, students, and families to monitor students' progress in acquiring academic English in the domains of speaking, listening, reading, and writing.

Alternate ACCESS for ELLs™

The Alternate ACCESS for ELLs is an ELP assessment. It's administered in the four language domains of listening, reading, speaking, and writing for students in grades 1-12 identified as ELLs who have significant cognitive disabilities.

National Assessment of Educational Progress (NAEP)

NAEP is the largest nationally representative and continuing assessment of what America's students know and can do in various subject areas. Sponsored by the U.S. Department of Education, NAEP assessments are conducted annually in reading and mathematics, with additional subjects tested each year such as science, writing, U.S. history, civics, geography, technology and engineering literacy, the arts, and other subjects. NAEP collects and reports academic achievement at the national level, and for certain assessments, at the state and district levels.
